

The HVAC Inspection, Maintenance
and Restoration Association

Invitation

NADCA Region 10 CEC Seminar Presentations 2009

**24th February 2009
6:00 – 8:00 pm**

Tips & Techniques using ACR 2006
Legionnaires disease and where it is found

INTERNATIONAL **NADCA** was formed in 1989 as a non-profit association representing qualified companies engaged in the **assessment, cleaning and restoration of HVAC systems** and to assist its members in providing high quality service to their customers.

Kelvin Bruce the founder of **EPSCO LLC** became the Regional Coordinator for **NADCA** to promote internationally accepted standards for HVAC System cleaning and to create awareness and education.

In 2009 EPSCO LLC will host several CEC Seminar Presentations to give an overview about the benefits of a NADCA membership and to show how NADCA can help you grow your business. All Presentations are free and refreshments and snacks will be provided.

By attending those presentations **NADCA** members can accrue the Continuing Education Credits (CEC) that is required every year to renew their certification as Air System Cleaning Specialist (ASCS). 14 Sessions will be hosted by **EPSCO** throughout the year and each two hour session qualifies for 1 CEC Point.

Should you be interested in visiting one of our free presentations and to learn more about NADCA and the international standards for HVAC System cleaning please contact Svenja at EPSCO Dubai for more information and registration.

Phone: 050 – 10 30 868

Svenja@epsco-intl.com
